APPOINTMENTS

To give you the opportunity to take advantage of the desired treatments, please reserve them as far in advance as possible. You can dial 900 from your room.

MASSAGES AND TREATMENTS

To avoid any inconvenience, please observe the appointment times. In the event of a delay, the duration of the treatment may be shortened so as not to penalise the next guest. Treatments may be cancelled up to 24 hours before the agreed time. Cancellations after this time will be charged at 50%. Our staff will be at your disposal if you need clarification or help with any problems. We ask you to scrupulously observe these rules and remind you that failure to do so will result in your dismissal from the SPA.

RELAX

We ask all guests to have an attitude consistent with our commitment to provide you with relaxation and harmony. Please use a moderate tone of voice at all times and avoid the use of mobile phones. Access to the herbal tea area, on the first floor, is permitted only in bathrobe and slippers.

HYGIENE AND SAFETY

For reasons of hygiene and safety, it is compulsory to use slippers and to take the utmost care not to slip. Guests may enter the SPA wearing the bathrobe and slippers provided on arrival or change in the changing rooms next to the SPA, which are equipped with lockers. If you use a locker, please do not lose the key and return it at the end of your stay (you can hand it in at Reception or to the spa staff). We ask you not to dive into the pool, but to use the steps for both entry and exit. For obvious reasons, we ask you not to consume food or drinks in the SPA and not to use glasses or glass bottles.

CHILDREN

Entry is only permitted if over the age of 12 and accompanied by parents or an adult. We do not recommend Turkish baths and saunas for children under 16 years of age. Parents are requested to look after their children and make sure they respect the tranquillity of the place.

PREGNANCY

The spa and massages do not in themselves constitute a contraindication to pregnancy if it takes place in a physiological manner. As a precaution and to avoid unpleasant sensations, bathing should last no longer than ten minutes. An adequate period of relaxation and hydration should follow each bath. Turkish baths and saunas are contraindicated.
